ANNUAL REPORT

2024 - 25

Kokan Kala Va Shikshan Vikas Sanstha

The movement from darkness to light

A Story of
Compassion

In the remote village of Sindhudurg, there are thousands of kids, bright young children eager to learn but unable to attend school due to poverty and financial constraints. This children's family struggled to make ends meet, and school supplies were a luxury they couldn't afford. Moved by their stories, Kokan Kala Va Shikshan Vikas Sanstha was formed, providing needy children with school supplies and covering their educational expenses. Today, these children are going to school with dreams of becoming doctors and engineers and giving back to their community. while also empowering women through vocational training and small business initiatives, building a brighter future for the community.

Chairman's Message

What began as a small initiative in Sindhudurg, driven by the simple belief that every child deserves a fair opportunity, has today grown into a mission impacting communities across regions. Our journey has continually reaffirmed that when people are supported with dignity, education, and opportunity, they gain the power to reshape their own future.

Across every program we undertake whether enabling access to education, supporting families, or responding during times of need our guiding principle remains unchanged: no child, no individual, and no community should be left behind. Sustainable change is created not merely through assistance, but through empowerment and trust.

The progress we celebrate today is not ours alone. It stands as a reflection of the collective support, belief, and partnership of countless well-wishers who have walked this path with us. Together, we are building more than initiatives we are nurturing hope, resilience, and opportunity.

We have come a long way, yet there remains much more to achieve, many more lives to touch, and many more futures to empower.

Thank you for being a part of this journey.

Dayanand Kubal
Founder and Chairman,
Kokan Kala Va Shikshan Vikas Sanstha

AWARDS & *Recognition*

Every award we receive carries a story
of a child who returned to school,
a woman who found her strength,
and a family that slept without hunger.

These recognitions are not our achievement alone. They belong to every hand that helped, every heart that cared, and every believer who stood with us.

They remind us why we began and why we must continue.

Kokan Sanman Award - 2025

Kokan NGO received the award for our tireless efforts in empowering underserved communities through education, women's empowerment, and community development initiatives.

Best CSR Projects In Women and Child Welfare Award - 2025

Kokan NGO received this prestigious award, recognizing the ongoing work to protect children's rights and empower women.

Sir Ratanji Tata Excellence Award - 2025

Kokan NGO was recognized for outstanding contributions to the social sector, making impactful strides in uplifting underprivileged children and empowering women across communities.

Impact Excellence Award - 2024

Kokan NGO received the Community Impact Excellence Award for 2024 for its work in education, healthcare, and livelihood.

ABOUT
Kokan NGO

Every child carries a dream.
Every woman carries strength.
Every community carries the potential to rise.

Since 2012, Kokan Kala Va Shikshan Vikas Sanstha has been walking hand in hand with vulnerable children, women, and communities, bringing hope where it was fading and creating opportunities where none existed. Guided by the spirit of the United Nations Sustainable Development Goals, our mission is to reach 3 million marginalized lives by 2030 through education, healthcare, women's empowerment, and community development.

With a presence across 12 states and **1,251,897 lives** already impacted, our journey reflects the power of compassion, resilience, and collective action. This Annual Report is not merely a record of achievements; it is a testament to dreams nurtured, challenges overcome, and futures rebuilt.

This Annual Report tells the story of children who now attend school with pride, women who earn with confidence, elders who live with dignity, and villages that look toward the future with hope. Together with our communities, partners, and supporters, we continue building a brighter, more inclusive tomorrow where every life has the opportunity to truly flourish.

Every step forward creates a brighter tomorrow.

MISSION & *Vision*

Our Mission

We exist to uplift children, empower women, and strengthen vulnerable communities through education, healthcare, livelihood support, and sustainable development.

At the heart of our mission lies a simple truth:
One opportunity can change an entire life.

We work at the grassroots where struggles are real, but so is resilience. Through community collaboration, innovative programs, and compassion in action, we transform barriers into bridges of opportunity.

"Because when we empower one person, we empower a generation."

Our Vision

We envision a society where:

- Every child learns without fear.
- Every woman rises with confidence.
- Every family lives with dignity.

A future where opportunity is not limited by geography, gender, or circumstance. By expanding our reach and strengthening sustainable systems, we aim to create communities that are self-reliant, resilient, and hopeful.

Our vision is not just development it is dignity for all.

Key *Achivements*

Turning Compassion into Measurable Change

Transforming Education Access

We opened doors to learning for children who once stood outside the classroom. Through mentorship, scholarships, school kits, and skill-building programs, education became a path toward independence.

Community Health Impact

Our health clinics, awareness campaigns, and mobile medical units bring essential services and health education directly to underserved areas, focusing on preventive care and well-being.

Economic Upliftment & Women Empowerment

Through skill training and livelihood support, women and youth moved from uncertainty to self-reliance.
Small enterprises were born. Confidence was rebuilt.
Leadership emerged from within communities.

Innovative Community Solutions

Projects like Seed Ball blend environmental education with action, creating sustainability and better resource management.

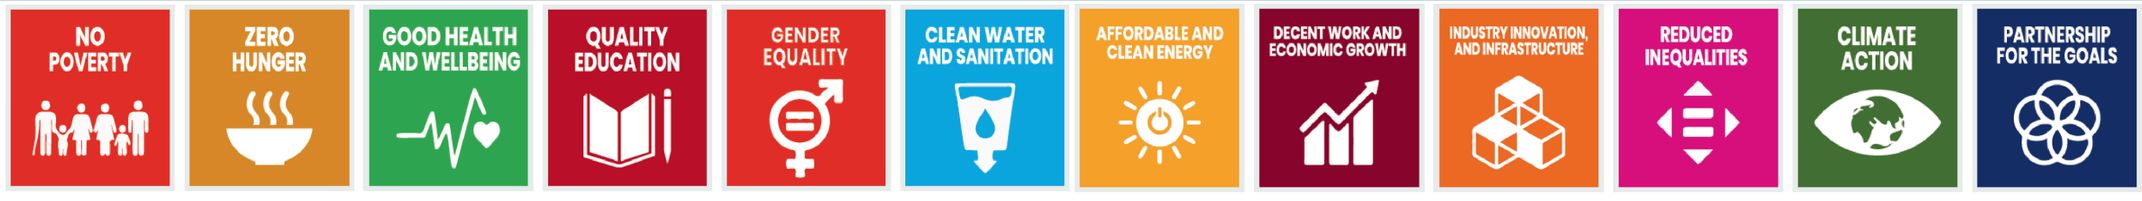

Empowerment through Inclusion

Established mentorship and leadership programs that nurture talent among women and youth, turning challenges into stepping stones toward empowerment and progress.

SDGs

Kokan Kala Va Shikshan Vikas Sanstha stands as a symbol of hope throughout India, guiding marginalized communities on their journey. Since our inception in 2012, we have been dedicated to societal upliftment, inspired by the United Nations' Sustainable Development Goals (SDGs). We have reached both rural and urban communities, addressing local needs through targeted and inclusive efforts. Aligned with the SDGs, we focus on No Poverty (SDG 1), Zero Hunger (SDG 2), Good Health and Well-being (SDG 3), Quality Education (SDG 4), Gender Equality (SDG 5), Clean Water and Sanitation (SDG 6), Affordable and Clean Energy (SDG 7), Decent Work and Economic Growth (SDG 8), Reduced Inequalities (SDG 10), Climate Action (SDG 13), and Partnerships for the Goals (SDG 17). Our work has empowered children, strengthened communities, and created pathways to lasting change. Together, we are building a foundation of hope and resilience across India, inviting all to join us in shaping a brighter future.

When global goals meet local action, transformation becomes possible.

CORE PROGRAMS

Vision

Education has the power to transform lives and unlock endless possibilities. By nurturing curiosity, confidence, and creativity, we help children build stronger foundations for a brighter future. Every classroom, every lesson, and every smile brings us closer to a world where every child has the opportunity to learn, grow, and succeed.

Education Support Program (ESP)

In 2025, the Education Support Program impacted children across 15 locations in India, marking a 20% increase from 2024. We provided **118** scholarships (including **35** for rural students), distributed **4880** school kits, and improved water and sanitation for **58** schools. Our STEM program reached **233** students in **8** schools, while the Cycle Bank saw **150** bicycles returned. Initiatives like Dream Paya and Gully School provided structured academic and literacy support for children from underserved and street communities. Career Awareness sessions, Digital Literacy Training, Job Readiness, Mentorship, Sports for Development, Study Skills, and time management, the School Science Mela equipped students with confidence, creativity, and life-ready skills. Road Safety Awareness was also introduced under ESP, educating students about safe traffic practices, accident prevention, and responsible commuting.

Orphanage Support Program (OSP)

The Orphanage Support Program (OSP) by Kokan NGO India stands as a promise that no child should grow up without love, safety, or a future. Across India, thousands of orphaned and vulnerable children face uncertainty, but through OSP we are rewriting their stories by going beyond shelter to build lasting futures. To date, we have empowered **508** children across Maharashtra, Tamil Nadu, and Karnataka, ensuring access to education, nutrition, healthcare, and essential life skills experiencing every social and cultural activity. Our work in multiple orphanages and shelter homes has created safe environments where children can dream, learn, and thrive. With initiatives like the Unicorn Child Development Center, providing comprehensive care for street-connected children, and Saksham, nurturing life skills, confidence, and emotional well-being, OSP ensures that children not only survive but truly flourish. Guided by our mission, we aim to reach **6,000** children across **472** centers by 2030, transforming vulnerable lives into empowered futures.

Medical Support Program (MSP)

In 2025, Kokan Kala Va Shikshan Vikas Sanstha's Medical Support Program transformed lives by bringing essential healthcare to underserved communities. Through free medical camps, blood donation drives, HIV/AIDS awareness, de-addiction support, medicine distribution, and hearing aid assistance for **246** individuals, we improved access to life-saving care. We educated **25,893** families on hygiene and prevention and reached **9093** underprivileged people. By making healthcare accessible, we continue to save lives and build healthier communities.

Village Development Program (VDP)

Building on success from 2024, when we supported **6,536** women and girls, the Village Development Program expanded to reach **11,189** women in 2025, an 83% increase. Skill Development Programmes in tailoring, crafts, and digital literacy created pathways for financial independence. Business Guidance Camps for women provided entrepreneurial mentorship, while Personal Safety Awareness sessions equipped women and adolescent girls with tools to protect themselves in both physical and digital spaces. Special focus on Skill Development for Tribal Women empowerment and training which ensured sustainable livelihoods within traditional knowledge systems. Further, awareness sessions on various SC/ST government schemes helped marginalized families access essential benefits, entitlements, and opportunities. In addition, the program initiated Solid Waste Management campaigns promoting recycling, waste segregation, and eco-friendly practices. Complementing this, training on organic and low-water-input farming techniques supported sustainable agriculture and reduced costs for small farmers.

WaSH

Water is life, yet for millions in rural India, it remains a daily struggle, unsafe sources, waterborne diseases, and a lack of sanitation threaten their well-being. Open defecation continues to contaminate water, putting children's health at risk. Determined to change this, we have expanded our Water, Sanitation, and Hygiene (WaSH) initiatives, ensuring safe water, hygiene education, and menstrual health awareness in rural schools. In 2025, our impact grew significantly, we reached **48,487** people across 38 villages, bringing clean water, sanitation facilities, and Clean Energy Access & Solar-powered Projects promoting renewable energies. With CSR partners like ONGC, Nab Samruddhi, and Koch, we installed water ATMs, conducted health camps, and empowered entire communities. What sets us apart? We don't just build infrastructure, we create lasting change by addressing menstrual health, promoting eco-friendly solutions, and transforming entire villages, not just schools. With each step, we move closer to a healthier, more dignified future for rural India.

PROJECT WITH THE *Government*

MSME: Igniting Artisan Dreams and Celebrating Heritage

India's vibrant handicraft heritage is more than tradition; it's a living legacy. Through the transformative MSME Sfurti cluster, Kokan NGO India is spearheading a renaissance for artisans in Sindhudurg, Maharashtra. In 2025, we empowered **15,789** Aari work artisans in Mangaon taluka, equipping them with advanced skills, modern technology, and direct market access. Today, our artisans craft exquisite bamboo furniture, intricate handicrafts, and cultural treasures that resonate with history. This dynamic collaboration is not just elevating incomes and women employment, it's reviving ancient art forms and fortifying community pride.

MSACS: Revolutionizing Rural Health and Education

When health and education converge, communities thrive. In partnership with the Maharashtra State AIDS Control Society (MSACS), we continue to deliver consistent, high-impact initiatives that integrate expert HIV/AIDS prevention with transformative educational outreach. In 2025, our targeted campaigns and interactive workshops reached **16,880** rural residents, equipping them with life-saving knowledge on health, hygiene, and disease prevention. This ongoing collaboration demonstrates our commitment to excellence and is building a future where every community member is informed, empowered, and ready to champion their own well-being.

Where awareness spreads, fear fades and hope grows.

Ministry of Social Justice Savitribai Phule Jayanti Celebration: A Tribute to a Trailblazer

In a heartfelt homage to Savitribai Phule, a true pioneer of women's education, our special celebration lit up the spirit of learning and equality. In collaboration with the Ministry of Social Justice, **654** enthusiastic students joined a vibrant event that combined interactive learning with a spirited quiz competition. This celebration not only honored Savitribai Phule's monumental legacy but also ignited a passion for education and social justice among the next generation, inspiring them to carry forward her mission of empowerment.

PROJECT WITH THE *Government*

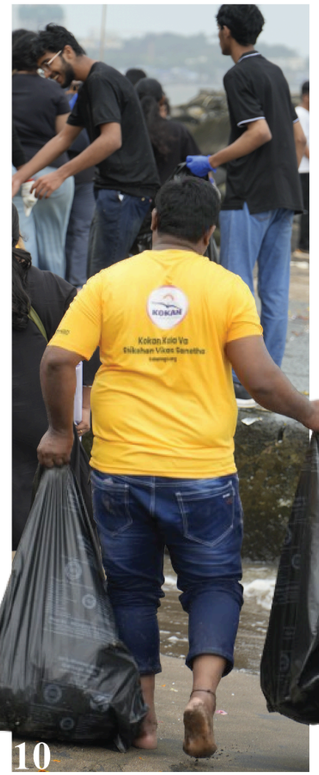

Swachh Bharat Mission

As part of our commitment to national initiatives, a dedicated Swachh Bharat Mission program was implemented in 2025 to create awareness and mobilize communities around cleanliness, sanitation, and waste reduction. Cleanliness drives in schools and villages, coupled with health-focused campaigns, not only improved public hygiene but also created community participation in sustainable sanitation practices. In total, 3,810 people were impacted.

Soil & Water Conservation Scheme

To combat land degradation and water scarcity, our Soil & Water Conservation Scheme promoted sustainable environmental practices like water conservation and management of conserved water among rural and tribal communities. The program involved constructing **85** check dams and percolation tanks, directly benefiting **236** farming families by enhancing groundwater recharge and irrigating approximately **95** acres of land. We also trained farmers in watershed management and organic mulching, which as led to a 30% estimated improvement in soil moisture retention and crop yield in participating farms.

Water came back to our land and with it, our livelihood returned.

— Ramesh Patil, Farmer, Sindhudurg

STORY OF
Success

As a volunteer teacher at Kokan NGO India's Gully School,

I Witnessed an incredible transformation

Children living in slums and on the streets, who previously had little access to education or hope, began to develop basic reading and writing skills along with moral values. Our curriculum focused on foundational learning and life lessons that helped children grow in confidence, encouraging them to think for themselves and gradually question limiting beliefs. Seeing their eyes light up with curiosity and hope was truly inspiring. The Gully School has empowered underserved children, giving them a real chance to build a better future. Being part of this life-changing initiative was a true privilege.

Menstrual Hygiene Management (MHM)

Initiatives Menstrual Hygiene Management (MHM) Initiatives Kokan Kala Va Shikshan Vikas Sanstha conducted Menstrual Hygiene Management (MHM) sessions across rural schools, educating **3280** students in 2025. Along with promoting hygiene practices, the program included training in hygiene management and advocacy campaigns to break taboos and build community support. Reusable sanitary napkins were distributed to ensure safe and sustainable menstrual care, empowering girls to manage menstruation with confidence and dignity.

Pad Yatra Initiative

Pad Yatra Initiative by Kokan Kala Va Shikshan Vikas Sanstha is transforming lives by breaking menstrual taboos and promoting hygiene across rural India. This year, **2066** women and girls were educated about safe menstrual practices and given access to sanitary products. With alarming facts like 45% of women hiding their periods and 23% of girls dropping out of school due to lack of support, Pad Yatra steps in with sustainable solutions like reusable cloth pads and awareness programs. Through education, empowerment, and community involvement, we aim to ensure every girl can manage her period with dignity, health, and confidence. Just 500 rs can support a girl for two years, join us in being the change.

SAKSHAM

Mapping Impact : Day Care Centers

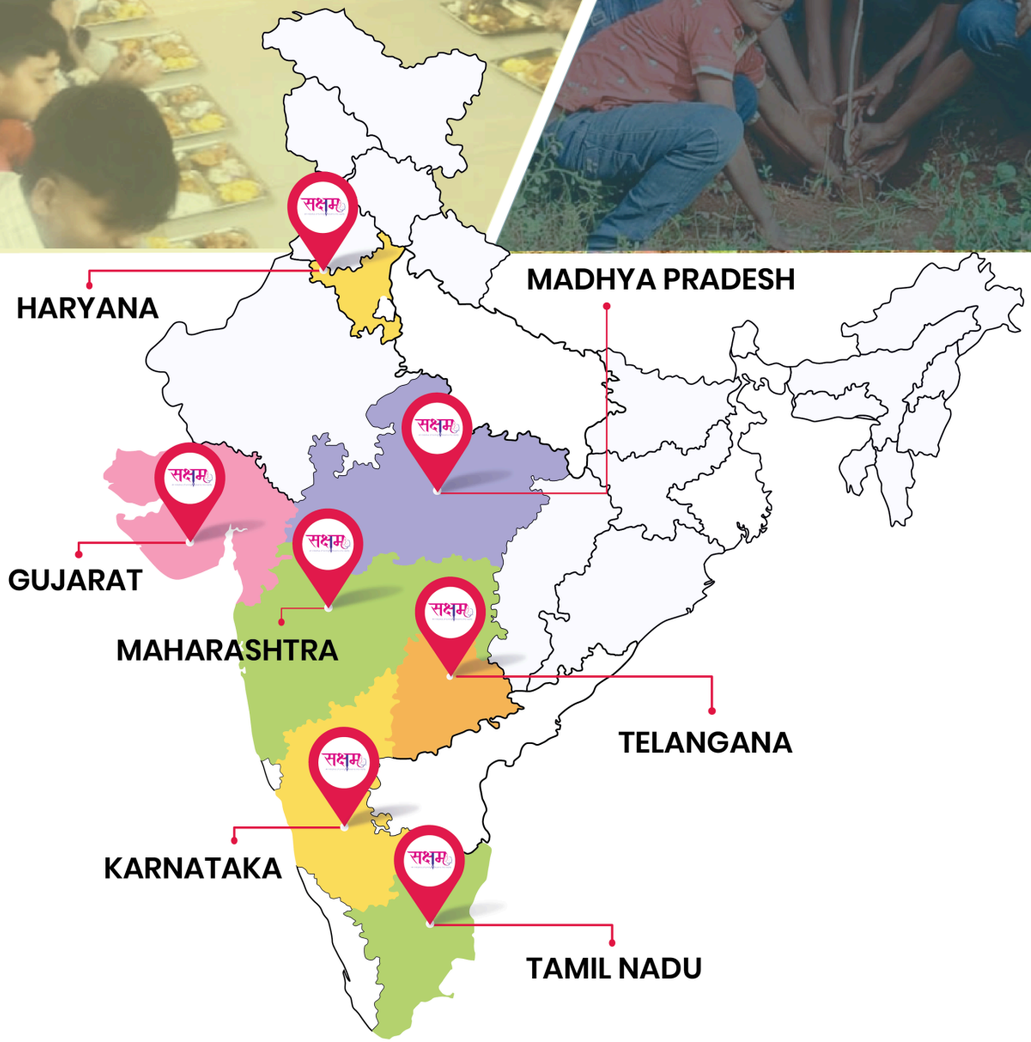

At Saksham, we believe every child deserves a future filled with hope and opportunity. We advocate for the rights of vulnerable children across India, ensuring they not only survive but thrive and reveal their true potential. Our mission extends beyond shelter; we cultivate nurturing environments and empower dedicated staff to create meaningful change. We currently support over **9** Child Care Institutions (CCIs), benefiting **451+** children. Our approach includes providing more than **48+** scholarships and hosting over **116** skill development workshops, along with training over **20+** staff members. By encouraging a supportive space that promotes growth and education, we are breaking the cycle of poverty and inequality. Join us in our mission to empower India's children and unlock their full potential for a brighter tomorrow.

Impacting 228 girls

Impacting 168 Boys

Empowering Bharat's Youth Through Mobile Repairing Skills

The Kokan Kala Va Shikshan Vikas Sanstha is committed to strengthening the nation by equipping underserved youth with essential vocational skills. In 2025, our Mobile Repairing Course expanded its reach, training **586** rural youth across Maharashtra. These young citizens received comprehensive training in hardware, software, troubleshooting, and maintenance, ensuring they are well-prepared for industry demands. The program's holistic approach, including tools, kits, and certification, empowers participants to become Atmanirbhar (self-reliant) and start their own businesses or secure employment. The resulting increase in income and improved quality of life for these graduates shows the program's lasting impact. We extend our heartfelt gratitude to our institutional partners for their steadfast support in helping us achieve this milestone in our mission to build a stronger, more skilled Bharat.

Miracle of One Rupee: Expanding Access to Healthcare

Our 1 Rupee Clinic continues to serve as a beacon of hope, providing affordable and quality healthcare to the rural communities of Maharashtra. In 2025, we provided care to patients and screened more than **5980** individuals for various diseases. The clinic's success lies in its innovative approach to healthcare accessibility, delivering essential medical services, tests, medications, and vital health education at an incredibly low cost. This model remains a testament to the transformative power of social innovation and its capacity to improve the well-being of underserved populations.

AIDS Day Awareness Rally

Building upon the success of previous years, our AIDS Day awareness rally reached an estimated **7898** individuals in the Bandha village and surrounding areas. This reflects our continued efforts to broaden awareness about AIDS and STDs, promoting prevention, treatment, and compassion within the community.

Every step forward creates a brighter tomorrow.

Aged people Wellness & Nutrition Support Activity

Recognizing the vulnerability of the elderly, especially in underserved communities, we launched the Senior Wellness & Nutrition Support Activity. This initiative provided regular health check-ups, nutritional supplements, and balanced meal packages to **780** aged people living alone or in challenging circumstances. Beyond physical health, the program fostered social connection through community gatherings, reducing isolation and improving mental well-being. Participants reported a remarkable improvement in their quality of life, allowing them to age with dignity.

Dam Cleaning and Making Infertile Land Fertile

Kokan NGO is implementing initiatives to transform rural Maharashtra. Their dam-cleaning program aims to restore water sources, while their land-fertility program seeks to rejuvenate infertile land. By adopting sustainable practices and engaging local communities, the organization is working to improve livelihoods and promote eco-friendly development. These efforts have positively impacted **10,056** people, enhancing agricultural productivity, supporting rural economies, and contributing to a more sustainable future for Maharashtra's villages. The organization's work has empowered communities and improved the lives of thousands, creating a brighter future for rural Maharashtra.

Promote Birthday & Death Anniversary Of Saint

Guided by our foundational values, we honored the legacy of inspiring spiritual and social leaders by promoting observances of their birth and death anniversaries. These 12 major events served as platforms for community engagement, attracting a combined participation of **4896** community members. Through prayer meetings, cultural programs, and discussions on their philosophies, we inspired attendees to incorporate values of peace and service into their daily lives, strengthening community bonds.

Environment cum Plantation Programme

Kokan NGO India's Environment cum Plantation Programme promotes environmental awareness and sustainability by engaging rural schools and villages in large-scale tree plantation drives. With the active participation of students, teachers, and villagers, we have planted saplings across rural communities, transforming barren spaces into green zones. This initiative not only instills a sense of environmental responsibility among children but also encourages villagers to nurture and protect local biodiversity. By combining education with action, the programme creates healthier ecosystems, improves air quality, and supports a culture of collective ownership for a greener future.

Volunteering and Community Service

Initiatives Kokan NGO India's Volunteer Programme actively engages volunteers and community members to drive grassroots change, creating a spirit of collective responsibility. Over the years, we have mobilized **1225+** volunteers who have contributed more than **25,000** service hours across education, health camps, environmental drives, and skill development workshops. These efforts have directly impacted **8841** beneficiaries, extending our reach and impact in rural and tribal communities. By empowering individuals to give their time and skills, the Volunteer Programme strengthens community participation and inspires a culture of changemaking for sustainable development.

Feed One Feed All: A Harvest of Hope

Kokan Kala Va Shikshan Vikas Sanstha's Feed One Feed All initiative continues its unwavering commitment to combating child hunger and malnutrition in India. Building upon the success of previous years, our 2025 efforts have provided crucial nourishment, essential healthcare, and educational opportunities to **23,311** underserved children. Donors' contributions have not only sustained these children but also empowered them, encouraging a brighter, healthier future free from the constraints of poverty. By supporting Feed One Feed All, you become part of a transformative movement, breaking the cycle of deprivation through holistic care and education.

Nourishing Today, Empowering Tomorrow.

Together, we turn small actions into big change.

STORY OF
Success

There was a time when I didn't know how I Would feed my children the next day

Some days we had very little, and I worried about what was ahead. One day, a friend from our village told me about Kokan NGO India's tailoring course. I joined and slowly learned to stitch clothes for my family and neighbors. Slowly, I started earning and could send my children to school. Now, I feel proud that I can give them a better life. I am truly thankful to Kokan NGO India for this new start.

Project Sulochana

The Sulochana initiative profoundly benefits seniors by providing life-changing cataract surgeries and restoring clear vision, independence, and dignity. Our objective is to improve healthcare access, promote preventive healthcare, and provide cataract surgeries to eliminate blindness. We've conducted over **468** rural health camps for cataract awareness and detection, performed 816 successful cataract surgeries, and identified more than **489** early cataract cases, thereby preventing further vision loss. Additionally, we've held **528** awareness camps, educating communities on cataract prevention and care, and established a sustainable care system, reducing vision-related accidents by 40%. Our efforts have also enhanced local healthcare workers' capacity, leading to a 60% increase in vaccinations, ultimately enriching the lives of seniors and contributing positively to community health.

"Before the surgery, my world was fading. Today, I see clearly, move freely, and live confidently. Project Sulochana gave me my life back."

— Anjali Naik, Beneficiary, Sindhudurg

NEW *Initiatives*

Access To Justice

Child trafficking in India is a devastating crime that tears innocent children from their families, subjecting them to fear, abuse, and exploitation. At Kokan NGO India, we are dedicated to protecting children and ensuring they have a safe, happy, and healthy childhood. Our vision is for a trafficking-free India where every child can grow up with dignity, hope, and safety. Through our Access to Justice programme, we have rescued and rehabilitated **350+** children across neighboring states, providing shelter, food, counseling, and vocational training to break the cycle of poverty. We have offered legal support and therapy to victims of child sexual abuse, while reaching **19,087** community members through awareness campaigns on child rights, anti-trafficking, and prevention of child marriages. Our mission combines rescue, education, skills development, advocacy, and community engagement to restore dignity and rebuild lives, especially for vulnerable girls.

Every Child Deserves Safety and Justice.

School *Development*

CSR for School Development Program Through CSR partnerships, Kokan NGO India is transforming rural schools into safe and child-friendly spaces by improving infrastructure and sanitation facilities. To date, we have upgraded **65+** schools, building classrooms, libraries, and sanitation units, along with access to safe drinking water. These efforts have directly benefited **18,000** students, reducing absenteeism, especially among girls, and creating healthier, more inclusive learning environments. With continued CSR support, we aim to reach **500** schools by 2030, bridging gaps in rural education and giving every child the dignity of learning in a safe, well-equipped school.

Mission in *Motion*

Empowering Change:

Transforming the lives of children, women, and vulnerable communities through education, healthcare, and livelihood programs.

Inclusive Growth:

Breaking barriers in learning, health, and social empowerment to create sustainable opportunities.

Community Driven Impact:

Engaging local voices to design solutions that address real needs and create lasting progress.

Sustainable Future:

Promoting environment-friendly initiatives, skill development, and holistic support for a brighter tomorrow.

Vision 2030:

Uplifting millions of marginalized individuals, building equitable, resilient, and thriving communities.

Our Management *System*

Continuous tracking of metrics optimizes efficiency and impact.

Weekly progress reviews with teams and advisors keep programs on track.

Daily real-time support resolves operational issues promptly.

Remote experts provide specialist guidance ensuring no cases are missed.

Staff training builds capability for high quality program delivery.

SYSTEM

Kokan NGO India's Management System ensures streamlined, transparent, and accountable operations across all programs. It leverages expert guidance, real time support, and data-driven monitoring to maximize social impact efficiently.

KOKAN NGO

Impact 2024-25

- In 2025, Kokan NGO made significant strides in transforming lives across India.
- We impacted **5482** children through our Education Support Program, providing scholarships, school kits, and improved sanitation.
- Our Village Development Program empowered **39,889** women in 15 states, supporting economic and social growth.
- The Orphanage Support Program provided care and education to **451** orphans, ensuring a secure future.
- Through our Medical Support Program, we reached **67,604** underserved individuals with healthcare services.
- Our WaSH initiatives improved access to clean water and sanitation for **65,147** people in rural areas.
- Through our Volunteer Engagement Program, we empowered **1225** volunteers, strengthening community participation and grassroot action
- Our Government Support Initiatives, we reached **38,225** individuals, improving access to essential public services and welfare schemes.

With strong community engagement and CSR partnerships, we continue our mission to uplift underserved communities, aiming to reach 3 million beneficiaries by 2030.

Together, we are building a brighter and more inclusive future.

Touched 2,18,255 beneficiaries

Together, We Build a Better Tomorrow

As we reflect on this year's journey, we are proud of the milestones achieved across education, women empowerment, and community health. Each number represents a life touched, a family supported, and a future strengthened.

Our progress is made possible through the unwavering support of our donors, volunteers, partners, and dedicated team members. Together, we have expanded opportunities, improved access to essential services, and created sustainable pathways for rural development.

While much has been accomplished, our mission continues. We remain committed to scaling our impact, strengthening communities, and ensuring that every child, woman, and family has the opportunity to thrive.

Thank you for believing in our vision and being a part of this transformative journey.

Thank You!
